From May 7th, 2026

Updated Mask Policy

Optional

Masks are still required in the following situations:

- **When entering areas such as the ICU, chemotherapy unit, dialysis unit, or radiation therapy unit**
- **When having symptoms such as coughing, sneezing, or a runny nose**
- **During periods of infectious disease outbreaks (e.g., influenza)**
- **When requested by hospital staff**

If you have any questions, please feel free to ask our staff. We appreciate your understanding and cooperation.
